Dear Honorable Judge Montali;

I am in support of docket #12440.

I am writing to you regarding the management of the Fire Victim's Trust and the need for transparency.

I am a Campfire survivor and I am writing to you to help support wildfire survivors who have been through so much: **losing everything to preventable fires, living in subpar conditions, waiting for years to be compensated while judges, lawyers and everyone else stuffs their pockets with survivor money.**

Wildfire survivors were told they would be "**made whole**", yet **lawyers, judges and FVT staff are literal are the ones walking away with our money.** Wildfire survivors have been treated badly from the start. Everyone shaking hands and making great deals behind closed doors off survivor's backs. The PG&E bankruptcy will forever be the most corrupt lawsuit in California history.

Wildfire survivors deserve transparency and to be "made whole", not partially whole, as promised.

Best regards,

Tina Reszler
